

### Novice Class:

Drivers new to AutoX start in the Novice ("N") class for their first three AutoX events, regardless of what Porsche Model they have. After that, or if they win the Novice class, they move to the class that their car fits into.

### Stock and Production Classes:

If your car meets **Stock** (Showroom Stock) or **Production** requirements based on the 2021 Porsche Parade Competition Regulations (PCRs) for Autocross, then find your model below and read across to the right for what **S** or **P** class it will run in at CVR AutoX events:

### Improved and Modified Classes:

If your car has changes beyond what is permitted for Stock or Production, determine if it is progressed into **Improved** or **Modified** based on the 2021 Porsche Parade Competition Regulations (PCRs) for Autocross. Then, based on the **Engine**, find what "I" or "M" class it will run in at CVR AutoX events:

| Car Years | Car Type | Engine | Improved Class | Modified Class |
|-----------|----------|--------|----------------|----------------|
|-----------|----------|--------|----------------|----------------|

|     |     |                        |    |    |
|-----|-----|------------------------|----|----|
| All | All | <2500 Non-Turbo        | I1 | M1 |
| All | All | 2500-3200 Non-Turbo    | I1 | M1 |
| All | All | 3200-3400 Non-Turbo    | I2 | M2 |
| All | All | 3400-3600 Non-Turbo    | I2 | M2 |
| All | All | >3600, all Turbo/Super | I2 | M2 |

### **Other Car Class:**

All non-Porsche street licensed and driven cars run in the **Other, "O"**, car class for CVR AutoX events, regardless of driver experience. Vehicles allowed are at the discretion of the CVR AutoX Event Chair (no SUV's or trucks).
